

Therapy Plan for GSG

Please take note of the following:

- This overview contains all the treatments and therapies recommended by Dr. Petra Wiechel, which is subject to change.
- We will do our best to provide you with a balanced plan within the available timeframe.
- Each evening, we will provide you with a list of your therapies for the following day.
- Please be on time for your therapies and treatments, if you are late, it may shorten the time available for your therapy.
- N.B. Treatments and therapies not undertaken are non-refundable unless otherwise agreed with a doctor in advance.
